YO DAWG, we heard  
you like web  
searches, so we put  
some web searches  
in your web searches  
so you can Google  
while you Google!

USERSCRIPT NO

XSS on Purpose;  
Purpose being  
IDK which result  
you clicked

This site does crazy backflip ninja acrobatics and  
needs you to install this Userscript for it to work

Refresh this page after the install.

Does your browser support Greasemonkey userscripts?
